123 Bus Update.

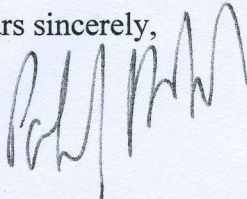

Dear Deputy McGrath,

Thank you for your letter dated 11th May 2009 with regard to the 123 bus issue and delay around Marino.

The solution to the safety issues on Brian Road require the provision of bus stop markings at the two stops on Brian Road together with double yellow lines along Brian Road, on Philipsburgh Avenue at the junction with Brian Road, and at the junction of Croydon Park Avenue and Croydon Gardens. These items have been identified precisely with the City Council and when complete we will restore service. An impression was created at a meeting that all required works were completed but as you can see this is not the case. In any event the solution is clear and we are anxious to restore service as soon as possible.

I hope you find the above answers your query and thank you for your interest in this matter.

Yours sincerely,

Paddy Doherty,
Business Development Manager.
